

Workshop for Parents

How to develop language skills using books

SAVE THE DATE

February 18, 2022

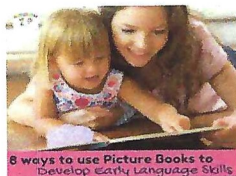

Time: 3:00 pm

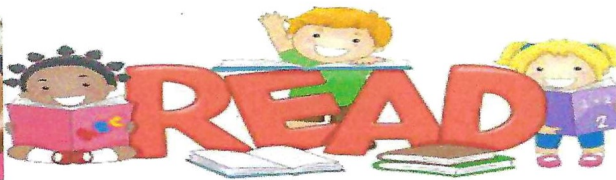

Zoom ID: 484 146 1713

**Facilitators: JoAnn Mainardi / Related Service
Coordinator & Ana Torrecilla / Speech Therapist**

Reading books with children helps develop their language skills by engaging children's imaginations, stimulating imaginative play (a primary way children learn about the world), and introducing children to things and places they may not have a chance to learn about.

8 ways to use Picture Books to Develop Early Language Skills

For more information, please contact Ms. Marina Martinez or Ms. JoAnn Mainardi at 718- 271-2294.
