

March/April 2022

SESAME SPEAKS

Dear Families,

I would like to take the opportunity to formally introduce myself! My name is Nicole Levine and I am the new Special Education Director. I came on board at the end of January 2022. It has been a whirlwind but a great one! I come with over fifteen years of experience in Early Childhood Special Education. My door is always open should you have any concerns or questions.

As we say goodbye to blustery March, we hope to do more community walks in April. March brought some wonderful activities and projects connected to transportation, light, and water (depending on the class). We celebrated Dr. Seuss week and the students tried green eggs.

In April we will be doing some planting. We plan on doing some school wide events with an Earth Day theme. Look out for the memo regarding this.

From our Parent Coordinator: Ms. Marina Martinez

Look at for the week of the Young Child from 4/4/22 to 4/8/22.
